## Prelude / Invitation to offer the papers:

Dear Colleague,

We are glad to inform you that a **National Seminar on "Capacity Building of Students in Higher Education with Special Reference to Tribal Students in Tripura"** is going to be held on **16<sup>th</sup> and 17<sup>th</sup> November, 2010** in

**Central Library Hall, MBB College.** We are delighted to invite you in this seminar as delegate/contributor.

Central Library, MBB College

## About the College

Maharaja Bir Bikram Kishore Manikya Bahadur, the last illustrious king of Tripura was the architect and founder of this pioneering institution of higher learning in the state which was established in the year 1947. The college has maintained a high standard of academic excellence and is now affiliated to the Tripura University (Central University). At present the college has 24 departments covering 3 faculties – Arts, Commerce & Science. The sprawling college campus is spreaded over an area of 64 acres with lush green fields bordered with exotic trees and winding lakes. The river Haora flows along its southeast periphery and the sylvan landscape weaves a magic spell upon the visitors.

## Objectives of the Seminar

To enhance employability among the students of Higher Education in NE, specially the indigenous students, as well as to strengthen their knowledge and abilities 'capacity building' seems to be the need of the hour. It is the process of equipping individuals with access to, understanding, knowledge, information which will enable the students to improve and adapt to the changes around them. The seminar aims at addressing the challenges and motivating the students who in turn can trigger a positive response and develop the desired attitude. The objective is also to achieve goals in sustainable manner.

## Sub-themes

1. Role of higher education in the development of tribal students.
2. Impact of Vocational education and Training.
3. Health & Nutrition.
4. Role of Counseling and Social welfare in the process of upliftment.
5. Role of Science & Technology, ICT in Higher Education.
6. Role of Art, Culture and Literature.
